CITY PARK UPDATES

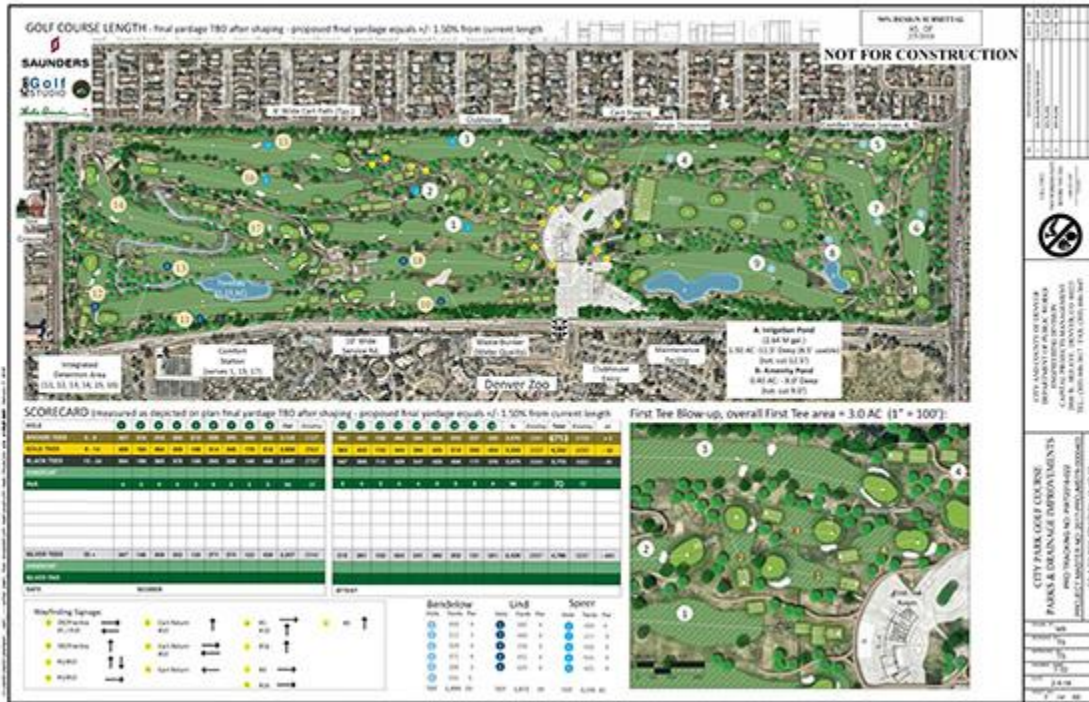

A Great Golf Course Today
A Better Golf Course Tomorrow
A Bright Future For Our Community

Open Through 2017. Reopening in 2019.
More information at: CPGCreDesign.org

City Park golf course renovation is moving along as planned. If you are in that neighborhood and see some new activity in the next couple of weeks, that will be the beginning of the clubhouse construction.

If you missed the public meeting in April, go to the CPGRedesign.org website to see the interior design finishes that will be used in the clubhouse and get the latest and greatest updated plans.

JUNIOR GOLF

The mission of The First Tee of Denver is to educate and inspire youth academically, socially, and physically through the game of golf.

GREEN INITIATIVES

Preparing your lawn for Spring

By Dean Gleason

Superintendent, Kennedy

Did you know that Denver Golf recycles trash from the golf course? Near the clubhouse, we have specific containers for recycling. On the golf course, our maintenance staff goes through the trash and separates the recyclable materials.

Capital Improvements

Wellshire Driving Range renovation. Wellshire is decommissioning the Skeel Dam and renovating the reservoir to handle water quality and retention. The reservoir is currently draining. This will prevent the current flooding of holes #1, #7 and #10.
