Denver Golf Announcements

March 10, 2018

New Flags on Denver Courses beginning March 15th

As of March 15th, you will no longer have to guess what color that flag is on the green. Denver Golf is moving to a new flag system with one color flags. Pin placements will rotate from front, middle and back on a daily basis. Pin sheets for the days location can be located in the pro shop, on the cart windshields and on the tee boxes of holes # 1 & # 10. Reflective tape on the flag stick will help you read exact distance by GPS. So you will know from the first tee where the pins on each hole are located.

NOW

 WELLSHIRE GOLF
COURSE
IMPROVEMENTS

Wellshire irrigation project continues

Thank you for your patience while we complete these golf course improvements.

The Wellshire irrigation project has resumed. Look for temporary closures and updates on Twitter and on the tee sheet.

Wellshire Driving range will be closed for draining of the lake. This will help flooding on holes #10, #7 & #1 for better turf conditions and is part of the process of converting the range to grass. Temporary nets will be set up for golfers to warm up.

 MASTERS EVENTS

Join Denver Golf on Master's Week

We have special events going on during the Master's to help you enjoy this great golf week!

- Wednesday, April 4th - Get \$5 off the Kennedy Par Three when you wear your Master's Green. Play our par three course then watch the pros play the par three Master's course. Even the pros can have fun on a par three!
- Saturday, April 7th - Masters Shotgun at Willis Case. \$65/player or \$260/team, 9 AM shotgun. Play in the morning and watch the Master's in the afternoon
- Join our Master's contest on the Denver Golf Facebook page. Prizes for top finishers. Just pick the pro you want to win the Master's.
