Bee Friendly

Introducing Denver Golf's Green Initiative Campaign

Denver Golf's seven values include Integrity, Teamwork, Respect, Accountability, **Stewardship**, Quality, Ambition and Satisfaction.

Our new Bee Friendly Campaign will focus on our Stewardship and how we are conducting our business in an environmentally friendly way. Each month we will introduce you to the ways that we are being environmentally friendly. It is very important that we pass this on to you, the customer so you know we are completing our mission of delivering a complete golf experience, providing our community with excellent customer service, programs to grow the game for future generations and outstanding course conditions while remaining stewards of the environment.

Wellshire Driving Range renovation

Wellshire is decommissioning the Skeel Dam and renovating the reservoir to handle water quality and retention. The reservoir is currently draining. This will prevent the current flooding of holes #1, #7 and #10.
