[MORE INFORMATION](#)

The Denver Golf Pass program has something for everyone this holiday season! Get into the game in 2020 and buy a Denver Golf Pass today!

The **NEW Come Learn & Play Pass** is great for beginners.

\$129 each includes:

- Five 90-minute clinics covering the basics (Overland Park and Kennedy)
- Three 9-hole rounds (Harvard Gulch, Kennedy Par 3 or Kennedy West)
- Exclusive discounts and events

The Come Play **Walk** or **Ride** Passes are perfect for the avid golfer.

Come Play and Walk \$235 each includes:

- Twenty 9-hole regulation walking rounds

Come Play and Ride \$299 each

- Twenty 9-hole regulation riding rounds

The **Family Fun Pass** is a great way to entertain the whole family for a great price.

\$119 each includes:

- Twenty Par-3 rounds (Harvard Gulch or Kennedy Par 3)
- Thirty Rounds of mini golf OR small buckets of range balls (Aqua Golf or Kennedy)

A portion of the proceeds from each pass go to help The First Tee of Denver Junior Golf Programs!

Restrictions do apply. For more details go to www.cityofdenvergolf.com.

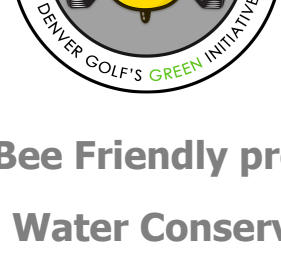

Denver Golf Holiday Hours

Golf Courses and pro shops will be open (weather permitting) until 2 pm Christmas Eve and New Year's Eve.

Courses are closed on Christmas Day, December 25th.

BEE FRIENDLY

Denver Golf's environmentally friendly initiatives

This month our Bee Friendly program highlights

2019 Water Conservation

This year Denver Golf courses reduced overall irrigation used by about 25 million gallons. While it wasn't a particularly rainy year, some of you might recall the spring was a unusually wet and cold which may have helped with our water savings. Even so, Denver golf course superintendents are always working to improve irrigation efficiency. Our maintenance teams continue to impress with their best conservation year ever by using only 12 gallons of water per square foot. Compare that to the average bluegrass lawn that requires about 18 gallons of water per square foot and you will see that they are doing an exceptional job of stewardship while providing excellent playing conditions. Have you thanked your superintendent today?!

The First Tee Of Denver

Denver's Junior Golf Program

10,000 Kids Served in 2019!

Thank you for your support!

At the recent More Than a Game Luncheon our [CEO Paula Purifoy announced that The First Tee of Denver served 10,000 kids in 2019!](#) However, to us this is so much more than a number. It is 10,000 unique stories, and kids' lives impacted because of you. As our speaker at the Luncheon, Matthew White, said:

"You never know how a program like this, open to anyone, gives hope to a young boy or girl. You never know how a program like this builds the confidence needed to stand up to bullying. You never know how a program like this empowers children to self-advocate and become successful on and off the green. You never know how a program like this, creates mentors for that young man or young girl who may not have anyone else that they can talk to. And you never know how your support would provide scholarships for a young person who's family may be going through medical challenges or the loss of loved ones. Wellnow you know!"

The First Tee of Denver is NOT just a golf class. We apply the Nine Core Values to everyday life, and help participants become good citizens. We improve reading scores in elementary schools with our Read 'n' Swing program. We provide the opportunity for high school students to get a great summer job, with professional development seminars, that will carry into their career down the road. We offer the opportunity to receive one of our five \$10,000 college scholarships awarded each year. We offer the opportunity to play at Pebble Beach with a Champions Tour player during the annual PURE Insurance Championship. We offer these programs and so much more, but we couldn't do it without you!

Please click here to watch a short video about the impact you have had on different people involved in the program. [The First Tee of Denver - More Than a Game](#)

We are grateful for your support, and are excited to see where the next chapter takes us. As we continue growing our goal is to serve every kid in our service area. Although lofty, we believe that it is possible with your help.

Thank you!

[COURSE UPDATES](#)

Kennedy renovating restaurant bathrooms

Coming soon, Kennedy will begin renovating the bathrooms in the restaurant. Pardon the dust while we are under construction.

City Park Redesign Updates

During major storms, the redesigned City Park Golf Course will temporarily hold and slow floodwaters while protecting the course from damage. The detention area is an essential part of *Platte to Park Hill: Stormwater Systems*. It will be integrated into an updated course design that will be even more enjoyable for golfers and help protect some of the city's most at-risk neighborhoods from flooding.

Integrating stormwater detention in golf courses is a very common practice. Outside of major storms, the area will remain a dry, fully-functioning golf course.

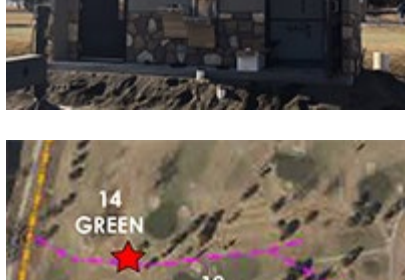

After considering technical merits and community input, City Park Golf Course was selected for water detention because it will protect significantly more homes and businesses; enhances an existing city asset; reduces the need for private property acquisition; and provides for future stormwater needs.

City Park Golf Course will reopen once the turf is established. Weather plays a significant role in turf establishment and maturation. Denver Golf wants to ensure that the playing surfaces at City Park Golf Course are mature enough to endure play without damaging the golf course. Denver Golf strives to provide great playing conditions and a positive experience to our guests.

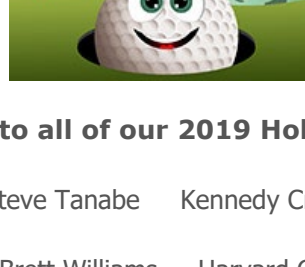

Overland Park To Build On-Course Bathrooms

Overland will begin construction on new permanent bathrooms on the golf course coming this fall/winter. Below is the estimated timeline.

- Fall/Winter 2019 (6-8 months) - Design and bid phase
- Fall/Winter 2020 (3-6 months) - Building procurement & construction
- Spring 2021 - Bathroom completion

[HOLES IN ONE](#)
